PAPER SIZES & PRINTED AREAS

This project has the particularity that the prints are made at each bird's actual size. As a result, each work is available in a **single size**, which varies from piece to piece. Each artwork is issued in an **edition of 10**. All prints include a one-inch white margin on each side for mounting.

A **20% discount** is offered from the second artwork purchased onwards, to encourage the acquisition of multiple pieces, which work especially well as a group.
